Tribute from Leanna Stevenot

Relation: Friend

I will fondly remember Adelaide as a loving mother, grandmother, wife and daughter. Adelaide shared many hours together as I tended to her esthetics needs. She was always talking about how much she loved her grand children and how she loved snuggling them in the evenings. She talked highly of her daughter in laws and the special moms they were. The love and appreciation she showed for her husband Carlos was contagious. The care she showed for her mother Maria was beautiful. My heart goes out to Adelaide's family. Heaven received an angel and I will truly miss my afternoons with Adelaide and stories she would share with me. My thoughts are with everyone at the time.

Truly,

Leanna Stevenot
