Relation: my best friend

Agnes and I became best friends forty plus years ago, raised our kids together, laughed and cried together through life. I always relied on her to comfort me like a big sister and I hope that I brought her that same fulfillment in her life. Losing her is one of the biggest losses in my life and there are no words to describe all that she is. I will miss her every day but along with that will reflect back on all the good times and her gorgeous smile when I am feeling down. RIP my dear friend, you are so loved and will be so very missed. Your suffering has ended and for that I am so grateful.

Relation: We are cousins

So sorry to hear about your loss.
