Tribute from Paul Busnardo

Relation: Family friend

With great sadness to hear of the passing of such a wonderful friend to our family for so many years. Wonderful memories for me, and a lifetime of memories for my father. Al and my father knew each other since their youth in Italy, then built their businesses and families at the same time in Vancouver. Al was then my neighbour in Burnaby before he left for Oliver to be my father's neighbour. He was always willing to help, and was always a good friend to the family.
My father spoke with Al recently, and I knew from his comments how sad he was to realize that one of his oldest friends was close to departing.
On behalf of the Busnardo family, my sincere condolences on the loss of a great man.

Relation: Friend through Penticton Italian Club

Dear Maria and family - so sorry to hear about Alessio's passing - he had suffered enough with his cancer and is now pain-free and smiling down at all of you. I enjoyed talking with him - first person outside of my family that was born in Liedelo, same as my father and 2 brothers. Take care of one another and we will see you on Saturday.

Tribute from Carla Busnardo

Relation: Daughter of Alessio's very good friend, Giuseppe

Maria & Famiglia ~ I'm so, so sorry for your loss. :(
Whenever I heard Al's laugh it made me laugh too. Big, Bold and Beautiful, just like Al's personality. Even better was hearing my father and Al laughing together. No matter what was at issue, they were always able to find the blessing of laughter.

Relation: I first met Al when he would be in for coffee with his buddies. even after moving away, I kept in touch hrough my sister Ginny, and made sure he had a supply of pies whenever I was in Oliver,

Sadly, no more blueberry pies for my dear friend, but Al, you will be in my thoughts every time I make one. Rest peacefully,

Tribute from Dennis Campardo

Relation: Longtime family friend from the old country.

Dear Famiglia Torresan, on behalf of the late Giuseppe Campardo and Family I would like to send our condolences on the passing of Alessio. As you may know, Alessio was my dad's best man way back

in 1957. They were great pals for many years. Thankfully, I had the pleasure of meeting Alessio many times growing up and only have great memories of him. In later years my parents would recant old stories which gave us great fun and laughter. Regrettably, my parents never made it to Oliver to see Alessio in his glory. I hope you enjoy the wedding picture attached and have fun figuring out who is who. Best Regards, Dennis Campardo
