Tribute from Christy Morgan

Relation: Family friend

My grandparents knew both Alice and John for many years, my mother grew up with the kids. Both John and Alice were very loving, kind people. My annual trips to Osoyoos always included a visit with Alice -- whether it be sharing a laugh over some coffee, browsing and chatting at the thrift shop or having fun at the coffee parties after church. I am very grateful for all the time, laughs, fun and stories shared over many, many years. I will miss her kind smile and caring ways but know that I will keep those memories with me always. My condolences to the Kalyn family - may Alice's teachings and love be with each of you always.

Tribute from Fay Morgan

Relation: Family Friend

Alice was a very special family friend since the family moved to Osoyoos. She always had great stories or the "good old days" and kept a daily journal since she was a young girl. She was an inspiration, friend, mentor, and an angel that preferred to do so many good things for those in need quietly behind the scene.

My love and prayers to Ken and family, you will miss her greatly. She loved you all so much. I know she will be in your heart and soul forever

Tribute from Shawna Morgan

Relation: Shawna

I feel lucky to have met Alice. She was a good friend of my Grandmothers. Alice had quick wit and a giant heart. I still expect to see her working away when I walk into the thrift shop. My condolences to her family whom she talked so fondly of.

Tribute from Donn Baskett

Relation: former neighbour, friend of Ken

Alice was always kind to me, and everyone. Just another one of many good, caring women of her generation.

Say hi to my mom and everybody else for me, Mrs. Kalyn. See you soon.

Tribute from Julia Wight

Relation: friend

I had the privilege of knowing Alice since she moved into White Sands. I was always amazed at her many talents and so touched by her unconditional love for her family. She has left the world a better place through her Christian faith and her dedication to the welfare of the community. I will miss her quiet demeanor, her stories and her great style. My condolences to the entire family.
