

**REMEMBERING**  
**Allan (Alexander) Chursinoff**

November 29, 1947 - March 4, 2024

Born and raised in Grand Forks, Allan spent his free time fishing in the Kettle and Granby rivers. He had a passion for Art and Science.

A talented wood carver, he created and sold many pieces over the years.

Allan enjoyed his job logging, working on the skidder until his early 70's. An avid NASCAR fan, his favorite driver was Dale Earnhardt.

His ashes will be reunited with the Salish Sea on Vancouver Island, without a service, as per his request.
