**Tribute from Pat Smallwood**

Debbie, Tom and all family members. I am so shocked to hear of Madeline's passing. She was a caring and cheerful person when we were room mates in SOGH. She always asked if I was ok and likewise. We shared many laughs and stories and I will forever cherish the picture we shared together. She is now out of pain and reunited with her loving husband and I am a better person for having shared a small amount of time with her. She was truly thankful for the love of her family. You had a very special mom - rest in peace Madeline.

Sandra and I just found out Madeline had passed away, please accept our condolences. We always enjoyed our monthly visits with Madeline and of course Harvey when he was with us. She was always happy to see us and we always spent a long time relaxing and chatting with her. We are sorry for your loss
