**Tribute from Louis S. Huppee**

Relation: Cousin

In memory of my Cousin Sid...

I have some good memories of our times over the years.. Like trips back to Saskatchewan 'on the fly' really... Fishing at Ripley Lake (Bear Lake), where I really taught you how and what lures to use in BC waters and, in general, reminiscing over old, old times. You remembered and knew everything about everything and, everything about anything. Also, sometimes, your pipe was good.! Other times?? A man after my own heart, after all.

My sincere condolences to Father Alan, his brothers, sisters and extended family members. Also to, and especially my remaining cousins - Nida, George, Theresa, Alma, and Diane. God Bless you all during this difficult time.

Louis
