### **Tribute from Bryan and Sandra Holgate**

Relation: Father and Mother in law

Amanda always had a smile and a hug for you. She looked forward to coming over on a Sunday for dinner with Sean and became a real fan of Yorkshire Pudding! Her love for Sean was obvious and she so much wanted to be a mummy. Little Mark is so sweet and precious and the little nursery she had started to set up is so lovely. A life taken from us all too soon, but many happy, loving memories left behind.

### **Tribute from Brittany Turner**

Relation: cousin/bestfriend

My Amazing Cousin and Best friend. How greatly you are going to be missed. You where taken away from us way to soon and every day my heart breaks alittle more. We love you and miss you so much Elijah is starting to really miss you and is always asking for stories of you. I can tell he is trying so hard to be a strong guy for his family. Everytime Baylee sees a picture of you she gets excited saying Auntie and goes running to the front window to see if you are there. Oh how I wish you could be there, with your beautiful son. We will All step in and do our best to help Sean! No one can ever replace what you would have done for Mark, I know in my heart you would have been an AMAZING mother. But we will all bend over backwards trying to do whats best for him. And we will never let a day go by with out telling Mark how amazing you are. I still can't believe your not here with us anymore. Even though I know it is not possible, I have to admit that I am definitely ready for you to come back now! I will

forever remember all the amazing memories we have shared and if nothing else I am so THANKFUL that I had the opportunity to get as close to you as I did. You change my world!! Love you Amanda. May your RIP with Turner
