Tribute from Jess Ketchum

Relation: Friend

I was sorry today to learn of Tony's passing. I had the honour and pleasure of meeting and working with Tony during his days of public service as MLA and Cabinet Minister. I always enjoyed our times together. He contributed a great deal to building BC. My condolences to his family and friends.

Tribute from Bud Smith, KC

Relation: In government

My condolences to Lois, Sue, Heather, Tom. Tony was well regarded by his colleagues in caucus and cabinet, for his accomplishments as a Minister in Bill Bennett's cabinet. While in Victoria Tony never lost sight of the fact he represented a somewhat distant northeast BC constituency. His advocacy for constituents was constant and highly respected "back home". A highly principled person; an invariably decent man; who contributed well to those he served.

Tony, Rest In Peace.

Tribute from Glen & Pat Forster

Relation: Mostly from church.

Sincere condolences & prayers to Tony's family. While MLA in the Peace River area Tony helped us get power to our farm west of Fort St. John sooner than later. We were always very grateful for his help. RIP Tony.

Relation: My best friend's father

The Butterfly

Today I saw a butterfly,
It's wings were yellow gold.
It seemed to dart so joyfully,
But yesterday. . . I'm told;
It lived within a dark cocoon,
without a ray of light.

Then God released it from it's cell,
And gave it glorious flight.

Gladys Waller

Giving all my love and prayers to my spirit soul sister greylin (Heather) Brummet including everyone affected by her father's death who, like her, must let go, process and take time to grieve your loss.
