It pains me to hear about the loss of Arin. He was a fantastic child when growing up with my daughter Mercedes. His Parents good friends of mine, and loving parents to Arin. I always thought Arin would do great things, he was just that kind of person. With moving to the coast 15 years ago, sometimes we lose the ties of friendship we once had, i was able to chat with Arin a short while by phone/text trying to shed a bright day to him. Having lost my own son many years ago, i feel so sad for his mom and dad, its never easy to lose someone you love so much, my heart goes out to the family, gods speed. Arin you came into our lives with such strength, and energy and you leave with us memories of a once great human being. You will be missed by many, love to you and the family xo
