Tribute from sandra shaw

Relation: palliative care nurse

Kim and family,

Thank-you for the card of appreciation sent to me, that was so thoughtful. I too, tried to contact you the day after your father passed away, but was at first not successful, then later spoke to a woman with an accent that said you had gone back to the island. I have just returned from there myself to bury my mother so have been away for 2 weeks taking care of her. Thank-you for a copy of your Dad's obituary, it is always nice to learn more about people when they were well.

I congratulate you and your family for doing your best in honoring your dad's wishes and making his end of life as comfortable as possible.

All good things,
Sandra
