Tribute from Corinne Michaud

Relation: Bernie's Sister

Audrey will be sadly missed but never forgotten. The first time i met Audrey with Shawna i knew she was a very kind and loving lady. She loved her family more than anything and her grandchildren meant the world to her. She was a very down to earth and easy person to talk to and had choice words for people (said what was on her mind) for that i loved her for. Now she is at peace after her long battle but fought til the end and now she can finally rest. She will be in my heart and prayers until we meet again

Tribute from Val Pellerin & Family

Relation: Friends of Shawna and Bernie

I met Audrey at Shawna's when dropping my son off for day care and Audrey would take over the day care the odd time. She loved her grandchildren very much and even the day care children. We had many talks about our work and she was a wonderful person. She will be missed and always have a place in our hearts. And as we all mourn remember she put up a good fight and now she is at peace. I'm sure she is watching over and is Shawna, Bernie, Kayla, Britt and Brandon's guardian angel now.
