REMEMBERING

Audrey Staton

July 23, 1933 - October 11, 2026

It comes with incredible sadness and heartache to announce the passing of Audrey Staton on Sunday 11 October 2026 at the age of 93. Audrey was predeceased by her husband Charles (Chuck) of 51 years. She is survived by her daughter Debra and her son in law David Bolster.

Audrey was active throughout her life. She had fond memories of speed skating, swimming and bowling in Saskatoon. She was especially passionate about golf and curling and was a member of Fairview Mountain Golf Course where she played well into her eighties. She loved cards and was particularly fond of winning at Bingo!

Retirement brought Chuck and Audrey to Oliver. She quickly became active in the community, volunteering and participating in many local activities during her forty-four years of life in Oliver.

Audrey enjoyed global travel be it on land sea or air. She and Chuck spent many years travelling south in the winter searching for golf courses and sunshine.

It takes a village to raise a child but it takes a community and a network of friends to age with dignity and independence. Audrey highly valued and respected the many friends that cared and supported her, all of whom enabled her to live a long and adventurous life. A life well lived!

A special thanks to the medical professionals in Penticton and Oliver who provided care and comfort throughout her life and in her final days.

Cremation has taken place. Respecting Audrey’s wishes, there will be no service.
