Bea...you were always a force to be reckoned with. Your generous hospitality when our family would invade your home for Canada Day Celebrations are cherished memories for us and our three children. You will not be forgotten.

Tribute from Diane Fay

Relation: neice

Uncle Bea was a force to be reckoned with, for sure. When I stayed with the family in the late 70's after moving to the Coast to continue University, it was made abundantly clear who was the person to pay attention to. She had both an iron fist AND a velvet glove, which she would have needed to survive growing up with her wild and crazy brothers. It was a joy and pleasure to see Bea at the reunion this summer and have a chance to visit for a while. I will miss her.

Tribute from Maureen Poucher

Relation: acquaintance

My deepest condolences, Pat, Herb and Jack. It was always fun when Bea was in our golf group. It was my pleasure to know her.

Tribute from Brian Mapplebeck

Relation: We sang together

Hello Jack, I remember her from lab work at SOGH and the Desert Air Singers. She made sure we looked good. All the best to you and your family.

Tribute from william Robinson

Relation: Long-time friend

I am saddened to hear of Bea's passing. On the other hand, I do know that she had such a wonderful, loving, full life.

For me, I cannot overstate the great caring friendship she and Jack afforded my mother, their neighbour, Isabel Robinson, during the latter part of her life, in the 1970's and 80's. They were always there for her; she felt so much at ease knowing they were readily available to help, no matter what the issue. Jack, hosting Mom's memorial meant a lot to us. Such wonderful neighbours; very special people.

We will always remember their sharing of the swimming pool in the summer holidays with me and my two daughters Nicole and Michelle. Interesting enough, in recent years Michelle became Bea's Rheumatologist in Penticton.

And Ann playing Easter bunny for the girls; something we well remember today.

In closing, our condolences go out to Jack and her wonderful family. it has been an honour for me knowing Bea, and Jack. I will certainly not forget them, and their kindness.

Bill Robinson
