R,I,P, Bernie, May the love & light of family & friends shine forever in the eternal. Take care of my beautiful cousin, the wife that crossed over with you. For now, Adieu.

Tribute from Susan Gomez

Relation: Friend and colleague

I have wonderful memories of our years working together and our friendship. It is hard to imagine your absence ... your incredible stories and funny email jokes always brightened my day. You will long be remembered with great love.

Tribute from Sue McGraw

Relation: Brother in law (Brother)

Bernie, even today I am waiting for you to come through the door with Diane. Zoe is still waiting for you to come home and she also has sad days and isn't herself. I miss you so much but there is great comfort that you are with your greatest love. I will always love you and be grateful for everything you taught me over the years especially our talks about the restaurant business. Thank you for teaching me mahjong and for being my brother. Love always, Sue
