**Tribute from Kathy and Bob Willis**

Relation: A very close friend for 20 years

Bette's you and George will be gone but never never will we forget you, you have and will always remain in our hearts I still hear us sitting talking over having hot biscuits and jam with coffee, how George loved his biscuits we did too. That is only one thing many many more and the times we saw them in Oliver a trip was worth while going down there. Words can not say enough how special they were to us. Sorry we did not know I would have been there, we still live in Lumby. Yes 20 years now. Keep in touch we do not want to lose this family with such wonderful parents ever again. Kathy and Bob Willis
