Condolences to all the family. This is so sad and even though I have not seen Beverly in years, she was always special to me and my family!

Relation: Grandma's friend

Our family loved Bev, she will be greatly missed. She and my grandma(May Matthias) were friends for years. Bev helped her out all the time when Grandma aged. Lovely generous and caring lady.

**Tribute from Heather Pearson**

Relation: Fellow Merrittonian

I did not know your mom well but she was an inspiration to me. As a Home Care nurse in Merritt for 35 years I would often see her walking with her brisk determined stride going around the neighbourhood delivering goodies to those less fortunate. She once told me the secret was to listen to CBC radio instead of watching soap operas! She made a huge difference to our community and I'm sure her loss will be felt deeply.

**Tribute from Kelly Turchak**

Relation: Neighbour

I lived across the street from Bev for years. Her yard was beautiful, I saw her often out weeding on her hands and knees and mowing her own lawn up until the last year in her home. She always walked at a fast pace like she had a mission and I am sure she did...may she rest in peace

**Tribute from Carolin and Dave Vandenbrink**

Relation: neighbours on Merritt Avenue

We are sending our deepest condolences to the family. In 2000, we moved to our house on Merritt Avenue and met Bev soon after, because she was taking care of her mom who lived across the street from us. Bev Kindly shared some perennial plants from her amazing gardens, as well as some gardening tips when we started work on our yard. The way she cared for her home and yard was truly an inspirational. Bev often waved to us on her frequent walks uptown, sometimes stopping for a chat. She will greatly missed and always remembered.

Relation: Cousin

Bev was such a generous and kind lady. I managed to show this to my dad LaRae & Kareen. Our hearts & thoughts are with you, knowing that you treasured your time with your mom. Take care with all of the challenges that just keep coming. The photo is my dad playing pool with Quinn, the youngest grandson yesterday at the Winfield Seniors Lodge.. ( too big to upload)

**Tribute from Shannon Rhonner**

Relation: She was a friend of my grandmother Vi Cressy

Condolences to Bev's family. I will always remember Bev delivering her homemade muffins to my grandmother Vi Cressy. She was such a kind person doing so much for so many. As time goes on we miss people who made their mark as Bev did. Not seeing her walking with a force is missed
