**Tribute from Patt Vermiere**

Relation: Special friend of 22 years

To the families of my dearest friend please accept my deepest condolences. We all remember people differently I remember Bill as an ornery, cantankerous, loving caring individual who could get a person angry as all get out and then charm the daylight out of them. I will certainly miss my friend of 22 years. Every week for all those years we had dinner together one day a week I will miss that.
