Bunny, Family and Casey - Dieter & I are so sad for your loss of Bill. I think that these next days are for your coming to terms with this, and finding your way now without him. Our thoughts are with all of you. Although it was only this summer and fall that we had the real pleasure of visiting and sharing coffees with him, in this short time we felt a deep affection, and we too will miss him, and the lost chance of our knowing him longer. To Bunny and family, so sorry to hear the news....I just found out today. My thoughts are with you...it's a very hard time...I remember him as a very nice person, my Dad always talked about him as well...perhaps they are sitting in a boat together and fishing in heaven...talking about good times...

Again, so sorry for your loss...
