My heart goes out to Blake's family and friends. Blake was one wonderful young man with such a kind heart. Always had such a gentle nature and kind words. We should all learn something from his all too short a life. Rest with the angels, Blake.

Tribute from Wilf and Sandra Scheer

Relation: friend

Our sincere condolences to Blake's Family. Blake truly was a gift to every life he touched. He was like a Super hero always searching for the next lost or troubled soul.....Saving many stranded friends who needed a ride, spending time with someone so they weren't alone, sharing a hug when there were no words to comfort, or spending endless hours, days, helping a friend get back to a better place in thier life. All our lives are better because of Blake. We are very Thankful for the time we got to share with Blake and he is greatly missed, Forever remembered, and Loved Always.

Tribute from Candace Schroeter

Relation: School

My sincerest condolences to you and family Isabel. Blake was such a loving and friendly young man. Growing up in such a tight knit community everyone knows everyone, and Blake was no exception. His smile, zest for life and warm heart were just a few of the things that made him such a warm spirit. He always greeted everyone by name and was always the first to offer a lending hand. My thoughts are with your family during this time. - Candace Schroeter

Tribute from Eileen Varga

Relation: Co-worker at Buy-low and member of Fire Dept

There are not enough words to describe the personality and kindness of Blake Sewell. A truer friend and acquaintance would be hard to find. It seemed like all you had to do was look at Blake and he had figured out whether you needed some help or a friendly shoulder to lean on or one of his famous laughs. My deepest condolences to all of the family
