**Burton Witham**

September 1, 1919 - April 26, 2014

**Tribute from Nunes-Pottinger Funeral Service Staff**

Nunes-Pottinger Funeral Service Staff send our condolences to family and friends.

**Tribute from Jack & Darlene Dickman**

Relation: He was and is my Uncle and a very dear one

Our deepest sympathy to the Burt Witham family. We will always remember him and the fun we had with him as we grew up. And then our first trip down south with him. That is one we will never forget. Never a day went by without something not happening.. Not nothing very bad, but just exciting.. I don't know how many times Aunt Louise would say "oh no, not again".

Also I am so happy that we had the family reunion and you,Nan, brought them up here..That was worth every minute of it.. Our Love to all of you.

**Tribute from Klaus and Toini Lindelof**

Relation: Good friend

To Nan Bartlett,

Our condolences for the loss of your father. We will always remember his helpfulness and humor. He was a great friend as was Louise.

He will be greatly missed.

Sincerely,

Toini and Klaus Lindelof
