Tribute from Betty-Jo Hetherington

Relation: friend

Carol was a real support as I was going through the last month with my mother who was across the hall at McKinney Place. She would come down to palative care to make sure I was not alone and we talked often about the faith my mother and I both had and what was such a help to me. Carol really reached out in my moment of need and I made a point of visiting her weekly since mom passed away. I will miss her. God blessings and comfort to all the family. Betty-Jo Hetherington
