Wherever life may take me

Whatever path I choose

I know you walk beside me

In everything I do.

You hold my hand in darkness

When troubles are at their best

You soothe away all the fears
And put my heart to rest.
Not a single day goes by
When I don't think of you
Your smile, your warmth,
Your love of life,
And all the little things you used to do
However long my life may last
Whatever lands I view
Whatever joy or grief be mine
I will always think of you.
Remembered always.

Arrangements entrusted to Nunes-Pottinger Funeral Service & Crematorium, Oliver
