Relation: through my work

Hope "Kip" is with John, sitting on their favourite beach and enjoying the sun. They were very nice people and I enjoyed knowing them.

**Tribute from Crystal Smith**

Relation: Neice

I just found out late last night! I used to love talking to Auntie Kip and Uncle John on the phone when we first moved to BC then we lost touch & I found them again when they moved. So many sweet memories of when ever Auntie Kip would come to visit in Winnipeg. Rory, Rory's family, Debbie's family...everyone that loved Auntie Kip you have my deepest condolences! You have more family over in Calgary if you need me I am here! Sending love and hugs to each of you!!
