Tracy, Brian and family, we are sorry for your loss. We were good friends over the years and Carol was so cheerful and loved her life, work and leisure times. We had a lot of laughs with Carol and Steve over the years and are sad that she is no longer with us.

We were so saddened to hear of Carol's passing. We were neighbours to the Lydiatts on Nicola St in Kamloops in the 1980's. And then to our surprise we met again when they moved to Oliver and us to Osoyoos. It was always a delight to run into Carol and do a little catch-up because she always had a funny quip to share. Thinking of you, Steve, Tracy and Brian.

Condolences to Tracy, Brian and family. I always enjoyed my visits with Carol, a very special person. Your family home was originally my grandparents home, and your Mom invited many of our family members to come and see the house, and what she had done with it. My cousins from Norway were surprised and pleased that your Mom would welcome them to the house. Carol will be missed.

So sorry to hear of your mother's passing, Tracey and Brian. She was a force of nature and a battler extraordinaire. Such an example to us all.
