A sad time indeed. I have fond memories of Carolyn of her time at Parks and Rec and she was brilliant there but I remember her the most at her Mom & Dads jewelry store. I can still see her there and Hazel and Bill too. My deepest condolences to all Carolyn's family and friends.

Carolyn loved her community and worked tirelessly to improve it during the many years she was employed with the Parks and Recreation Society (Commission) and for many years after as a volunteer within the community. We, the current directors on the Board of the Parks & Rec Society, gratefully acknowledge her wisdom and foresight was a strong building block in the development of the facilities our community enjoys today.

Please accept my condolences on the sudden passing of your Mom. I had the pleasure and privilege of participating on the Recreation Commission during some of Carolyn's time as manager of Parks and Recreation.

She was always hard working, devoted to the community, and enjoyed working with the public. Carolyn had a great sense of humour and was an excellent bridge player. She will be missed by all of us who knew her.

Mrs M as I fondly called Carolyn was my mentor and friend. I am so grateful to have shared many memories and experiences with her. Oliver is a better place, especially the Community Park because of her love of Oliver and Parks & Rec. Condolences to her family. Love Charity
