Cathy was an amazing lady always a smile. When we set up the committee for the OGC 50th Anniversary she became our chair and kept us in line. We loved the meetings at her house. When you arrived you could smell the wonderful Chocolate Chip cookies just coming out of the oven. I loved to golf with her and I will miss her.

Tribute from Doug Puffer

Relation: worked together for close to 10 years

In the Fall of 2006, Cathy hired me to set up a planned giving program at SFU. Because it was such a big move for my family from Kingston to Vancouver we decided to visit the area over Christmas, combining a ski vacation with a campus tour. Completely unexpected, Cathy invited all five of us to her beautiful home for Christmas dinner with her family. I was blown away! As I look back and think about all of the years we worked together, shared great laughs and rose to the challenges of campaigning for the university, I realize that Cathy was absolutely my favourite boss and best colleague imaginable. We both retired from SFU at the same time, both at the top of our careers. Thank you to Paul, Angela and Laura for sharing your home and the wonderful memory of that first Christmas. My sincere condolences.
