Tribute from Janice Maureen Jorde

Relation: Wife

Love has no boundaries. You will live in my heart and soul until the day I see you again. You are free of pain now and I know you are in a better place. Riding with the wind in your face and the sun shining on your back. Fly free my love... Forever yours, your loving wife.

Tribute from Carol Anne Humphrys

Relation: Friend

I hadn't known Kim very long but I had the delight of being his next door neighbour for the last few years in Osoyoos. Kim was a gregarious, friendly guy who did not hesitate to lend a hand, for example when my house flooded last spring while I was away. He supervised all the work and I had total confidence with him on the property. I have no doubt he would give you the shirt off his back if you needed it. He was outspoken and always had a funny quip or comeback and I enjoyed quite a few beers with him and Janice on summer evenings. He was incredibly loyal to Janice, whom he loved very much, and I was honoured to partake of their incredible lakeside wedding last summer at their property. I will miss Kim's friendly smile and wave, his witty repartee and his colorful shirts. All my love to Janice and all of their friends and family during these sad days, but I am confident that we'll all be smiling when Kim's name comes up in the years to come.

Tribute from Don Lancaster (Drifter)

Relation: I first met Kim when I had my silkscreening business across the alley from Switzer Automotive. I later knew Kim with our connections riding our Harleys in the 80's and 90's. In the last while I had the odd video call and texts on Facebook. I found out about his health as he and Janice left for Penticton for an MRI. I texted and talked with him as Janice was taking him back and forth for treatment. He was very positive as always in our last conversation. I was very sad when I heard of his passing

My thoughts go out to Janice and the whole family. Kim was always upbeat and full of energy. I will miss seeing his smiling face and hearing his kind words whenever I was lucky enough to see him. Kim was a great guy and will be missed by the many friends he had. RIP my friend.
