Tribute from Garth T. Fordyce

Relation: Son

Thank you, Dad ! There were so many times when you came through in your own supportive and quiet way, all be it for a family member, a close friend or a neighbor, not expecting to receive any thanks for what you may have done or said. Likewise, there were so many times when you were there for another in need to lean on and to perhaps learn from your life long experiences. You were always eager to listen to others and to give them your unconditional love, friendship and support, as the case may be. You possessed a kind and gentle spirit for which all who knew you will be forever grateful. Yours was a life which was well lived and well loved. Yours is a life that will be deeply missed by all who had the pleasure of knowing you. Words cannot begin to express how much Kerry and I love and miss you. Farewell my Father and my Friend - I cherish the day when we will be re-united. Until then, I will cherish your smile, your warm heart and the memories of the many things which you and I were able to do together. Your loving son, Garth !
