It is with sad hearts that we announce the sudden passing of our much loved Dad, PAPA, and friend. Dad recently celebrated his 90th B-day. He followed that up with a fun loved week fishing trip in Whale Channel with his 2 Sons.

Full of energy and with a great love of life to the end, He continued with his passions for golf, fishing painting, spending time wth family and friends. Most recently his neighbors watched him drive his new blue toy about town.

He was a Sergeant in the Air Force during WWII. , returning to work at Union packing before settling into a long career in Commercial Real Estate with Great West Life Assurance Co.
