**Tribute from Beulah Jesso**

Relation: His daughter in law Darlene is my life long friend

Darlene, Vaughn, Amy, Adam and Family: Although I didn't know your dad, grandpa, brother and husband, I know some people who loved him dearly and because of them, I understand the man that he was and the magnitude of this loss. For that loss to each of you, I am so sorry. I do know for certain, from my own loss, that love transcends space and time, and that he will always be with each of you. May this provide you with some strength and courage as you grieve. God bless.
