So, so, sad! Condolences to all the family, and a special wish for courage and strength to Dylan. I only have lovely memories of Crystal as a bright teenager, with her enthusiasm for learning, for being connected to family and friends, for life! So sorry to hear of the devastating illness, and holding on to the joy she must have had to become a mother to that darling little girl.

To Andy and The Family,

I'm heartbroken to hear of Crystal's passing. I would like to express my condolences to you all. She was so vibrant and funny. What a sense of humor she had even when faced with so many difficulties from the disease. Crystal was truly an inspiration to everyone living with M.S. or loving someone with M.S. The world is a brighter, lighter place for her having been in it.
