**Tribute from blaine and joan nunweiler**

Relation: friends

Dear Jack, Gloria and Cor, It is very obvious how special Dale was to everyone who knew him, from a little boy to a grown man. Let me say how much we will miss saying hi to him and Tia. He was destined for greater things, off this earth. He always was good to other and would lend a helping hand, true to himself and his family and friends right to the end, he has left us richer with having known him. In our black powder club we called him high pockets, when I'd be needing something off a tall shelf I would call high pockets, and he would just grin....god bless Blaine and Joan Nunweiler.
