Tribute from Sandra Lee Curnow

Relation: Friends

Roland and I send our Heartfelt Sympathies to you and the family, at the passing of Dan. He was a creative artist and a man who enjoyed time alone with his thoughts - to paint, make music and sing. RIP Dan

Tribute from Debbie Pagnoni

Relation: Neighbors

I remember when Dan and Lynda first moved to Tahsis. They were the best neighbours! Dan brought the beautiful little song birds back to our street. I remember good times on the deck sharing a beer and tunes on the guitar. I will miss you Dan

Tribute from John and Yvette

Relation: family friend

We are sending our deepest condolences on the loss of Danny. He was such a special, one-of-a-kind person who left a lasting impression on everyone he met.
We look back so fondly on the times we shared, from visits at the cottage, a phone call, to hosting him at our home in Belleville. Danny's signing and his remarkable musical talent brought so much emotion and light into any room, and those memories will stay with us forever.
Please know that Danny and family are in our thoughts and prayers.
