It was a privilege to know Daniela. We loved Daniela and share your grief in losing a loving, creative and beautiful person. Daniela's friendship and enthusiasm lit up our lives.

**Tribute from Roland Guenther**

Relation: Friend and homeopath

It was an honour to accompany Daniela. For six years I had known her as a friend but during the last year I was allowed to see the great soul she was. She did not waste any time in irresolution. She remained in unwaivering optimism throughout her life, and in the end she knew when it was time to let go.

I am deeply grateful for the time with her.

Roland Guenther

**Tribute from Joshua Libben**

Relation: Nephew

With a small family spread out over the globe, she was the closest of my extended family. Beyond the great memories of being with her when I was a young child, I'm fortunate to have more recent memories of vacations together, of visit and of evenings spent talking with her and Brian. She always encouraged my dreams, and talked with me seriously about big ideas. That's a rare gift to give a young person, and is something I will always treasure and remember her by.
