Relation: Friend

Darlene was my friend. To find another soul as genuinely caring as she will be a challenge. I met her at curves 10-12 yrs ago. She always had a smile and something nice to say about everything no matter what her personal health issues were. We became friends over the years discussing gardening, hobbies/crafts etc and we all know how much she relished them.

Now she is in a pain free place tending to gardens in the sky. Bye Darlene I will miss you
