Tribute from Ernie and Barb Race

Relation: friends

Diane and Family,
So sorry to hear of your loss.
Ernie enjoyed Senior Men's Day golf with Dave as the Captain. Ernie particularly enjoyed the way Dave brought the golfers to order when they got too noisey.
A great guy, very much missed.
Our thoughts are with you Diane

Tribute from Bill Lott

Relation: CIBC worker and retiree

Hi Diane:I just heard from Fred Schindel about Dave's passing. I was shocked. Our thoughts and prayers are with you and your Family. I worked with Dave in Kelowna some 35+ years ago. Dave was

the Branch Accountant (Don McLarty was his Sr. Ast Act.). Dave sat at the back where he had a view of the whole Branch. Not much got past him. He taught me a lot about customer service and mult-tasking; that was really helpful to me later on. I admired Dave for his Fairness and Positive Attitude. I recall he was a pretty good curler and wielded and awesome broom; back in the days when you could make a lot of noise whacking it on the ice.

Dear Diane and family:

I am sorry to read in the paper this week of Dave's passing. It has been many years since we have been in touch with Dave or any of the family. Nevertheless I have many fond memories from both my childhood on Okanagan Lake where your family often relaxed – and as a young adult in Vernon where I could go to my local CIBC and get advice and friendship that often strayed far from Dave's normal banking duties.

I recall lunches that Dave made for 'us kids' that consisted of one inch of peanut butter on Wonder Bread – I suspect mostly for his amusement at watching us trying to eat them without gagging. I also recall searching Okanagan Lake bottom for hours looking for his lost wedding ring. To this day I am not sure if he actually lost it or used that as an excuse to get us out of his hair.

There was probably a bit of hero worship involved for the big guy with a great laugh and good sense of humour who never treated us as nuisance kids (which we were) but made us feel like people.

Having lost my Dad and Mum in my 20's and 40's I understand the feeling of loss but also the value of memories and the enduring power of role models in our lives. Dave affected a lot of people in his life and I am happy to have been one of them.
