My love & condolences go out to all of Uncle Dave's family & loved ones. He was my favorite uncle and so hard working. He came to visit us in AZ and I still see him carrying load after load of cinder blocks to help my hubby put up our backyard block wall. He was also a great can crusher - stood for hours crushing the mountain of soda cans we had accumulated! I have so many fond memories through the years of the times we spent together. I will always cherish the phone calls he made to me after my hubby passed away and the love he shared. Uncle Dave, you will be deeply missed. Prayers for comfort and sending hugs to all.
