Tribute from Robert Adams

Relation: Friends

Dave and I got our Millwright apprenticeships around the same time. I have many great memories with Dave, troubleshooting at Clear Lake Sawmill, and all the laughs (but no beer, lol). Dave was always so happy, and he will be missed. My condolences to each of you during this time.

Tribute from Linda and Ken Nunweiler

Relation: Neighbor

Holly, we were so very sorry to hear that Dave was not coming home. We were getting to know him better as a neighbor. The dynamics of the neighborhood will certainly change with Dave not here. Your tribute was beautiful, so full of love for your loving husband. It truly touched our hearts. Condolences to your whole family to lose such a wonderful man too soon.
