Dawna was predeceased by her daughter Christine and her father Percy (Harold).

Dawna worked as a care aid in the health care industry. In her spare time, she loved swimming. Together with her husband Stefano, she travelled to Alaska for a vacation in 2013 where she had the time of her life.

Our dear Dawna loved life at its fullest, living in the moment. She loved her family more than anything, who have fond memories of her playing cards and her mean game of monopoly. She always seemed happy and positive, with energy enough for all. With a heart as big as the world, she deeply cared for everyone and would help anyone who needed it. We will forever have joy in our hearts remembering her. She will be deeply missed.

A Celebration of Life reception will be held at the family home on Sunday January 26 at 2:30 p.m.

Donations in Dawna`s memory would be greatly appreciated by South Okanagan
