Beverly, Diane, Thomas and family. Our sincere condolences to the entire family. Dolly was an icon and a pillar of the small town of Okanagan Falls. She inspired a lot of people to become better citizens and to be a part of the community by volunteering. We have memories of Dolly that make us laugh and we will treasure them always. We feel so blessed to be able to say that we have known Dolly for the past 36 years and considered her as family. Our hearts are with you at this time of deep sorrow and keep in mind we are here for you. Gordon, Kathy Martin and family

**Tribute from Brenda and Don**

Relation: friend and role model

Dolly became a friend shortly after we moved to Okanagan falls in the 80's. We had a great time dressing her up as Queen Elizabeth as there was a great resemblance there. She had a sense of humour and always had a smile on her face. The sense of humour she needed in order to deal with all of us "ladies" at the Heritage Museum. We will always remember you Dolly. Brenda and Don
