### **Tribute from Grace**

Relation: Care Worker

I wanted to express my deepest condolences on the loss of Don. I accepted a new job and hadn't been to the extended care in a bit, I was told on Monday of his passing. Don was one of my special residents. He always greeted me with a smile. He was genuinely interested in my boys hockey games and had planned on walking down to the Oliver Arena this weekend to watch a home game. I will never forget him. May he rest in peace.
