**Tribute from Eunice Warring**

Relation: Don has been a very respected friend to our family for many years.

Dear Marilyn and family - I am so very sad to hear of the passing of Don. Our families have known each other for many many years and shared some wonderful times together in our homes and at social and sports events. Our children played together as did us adults. I will miss Don answering my many questions regarding curling especially but a few golf queries as well. Say hello to my Bill and maybe you can throw a few rocks together. Love to you all from the Warring family.

**Tribute from Ron Trottier**

Marilyn, so sad to hear of Don's passing. My deepest condolences to you and family. Take care.
