

**REMEMBERING**  
**Donald Bryce Lyons (Donny)**

December 22, 1972 - June 15, 2024

On Saturday, June 15, 2024, Donald (Donny) Lyons of Osoyoos passed away suddenly and unexpectedly at the age of 51. He is predeceased by his father Bryce Lyons. Donny is survived by his wife Danielle; step-daughter Sophie; daughter Tiffany; son Beau; mother Lorene; sisters Leslie (Mark) and Karie; and nieces Logan, Kate, and Allie.

Donald proudly worked for AUL Industrial Repairs making repairs at the Copper Mountain Mine in Princeton where he truly excelled.

He loved to buy old trucks and fix them up, it was always a running joke on just how many he had - there were lots! He loved to spend time with his wife, they did everything together and had a trip to India planned. Donald loved fishing and living off-grid and was teaching himself to weld as he always dreamed of being a welder.
