Tribute from Helen Gorrie

Relation: Through my neighbour Mary Dolezar

I always remembered Don as a fine quiet man. He helped me when I was widowed by taking old car parts from my bsmt. as he was restoring cars at the time. My condolences to Marjorie and family.

Tribute from Lyle and Esther Rotter

Relation: Friend

Although we only had the pleasure of meeting with Don twice he left a considerable impression and is an inspiration to the both of us. We are very sorry for your loss.

Tribute from Catherine Scott

Relation: Granddaughter in-law.

So honoured to have known this kind, generous, and hospitable man who was the great grandfather to my two precious boys. I cherish all the memories of family vacations we were able to spend with you in your home on Anarchist Mtn. I am sad that I wasn't able to attend to service, but I am thankful that Cam was able to say goodbye to you on the day you passed as well as properly celebrate the amazing life you lived while you were on this earth. See you soon, but not too soon precious Grandpa Don, Love Catherine.
