Relation: She is my aunt

Doris was my aunt on my mother's side. Uncle Frank, Aunt Adonis, Clifford and Mary visited us many times at our farm in Sorrento.

Doris was a 'character' and I am grateful that she shared some of her stories with me.

My thoughts are with you Melissa and Jeremy. I hope that Doris can join her large family, and they can chat, and laugh like in times past.

**Tribute from Monica Ondrus**

I am not sure about our connection

On June 19 1985 I was admitted to Penticton Hospital for a c section, and shared a room with another lady who lived in the park on the southwest side of Penticton. We ended up having our babies on June 20. I had a boy and my roommate had a girl. As I was reading the obits the name Craig Tulak was

listed. I did receive notice that the mother had passed around Christmas of an asthma incident. Is it possible that the lady was Mary, and the baby was Melissa.

If so I would like to hear from you 250-495-2525 I still live in Osoyoos
