Tribute from Marion Boyd

Relation: neighbour

Dorothy was such a wonderful neighbour and an inspiration too. She loved Tuc-e-nuit Lake and for years put the rest of us to shame by being the first to swim and the last to stop at the end of the season. She shared her garden knowledge and never failed to offer some cheerful words as she worked in the garden or went on her walks. She will be missed by those of us who lived near her. I send her family my condolences. Sincerely, Marion
