

REMEMBERING
Dorothy Randall

December 15, 1918 - September 3, 2009

Tribute from Nunes-Pottinger Funeral Service Staff

Nunes-Pottinger Funeral Service Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

Tribute from Joseph and Claire Robichaud

Relation: Relatives of John & Melina

Our deepest sympathy in the passing of your mother.
May the memories you hold dear provide some comfort at this sad time. Your mother lived a very full life raised a family and cared for others as well.
Our thoughts and prayers are with you at this time.

Tribute from Ann Burke-Smith

Relation: Friend of John & Melina

This brings a sympathetic prayer that you will feel God near, and that His love will help you bear the loss of one so dear, With Deepest Sympathy, The Burke-Smith Family (Ann, Jeff, Robin, Shelley)

Tribute from Lena & Don Thompson

Relation: Nurse Aide who looked after Dorothy

Dear Randall Family,
I have known your mother for so many years when she worked in the Clinic. She was warm, compassionate and a loving nurse. Then when she came to McKinney Place it was our turn to look after her. We shall miss her smiling face, her laughter but most of all we will miss her. Our thoughts and prayers are with you all and now your mother is with your father Rudy. God Bless them both.

Tribute from Jerry and Carole Heinrich

Relation: We know John and Milena

John and Milena
Our hearts and prayers are with you at this time and may Gods strength and love surround you and your family at this time of sorrow. Please know that we love you .
Jerry and Carole Heinrich

Tribute from Terry and Bob Hope

Relation: Niece of Dorothy and Rudy

Dear John, Gordy, Paul, Stephen and Family:

I know first hand how hard it is to lose someone special in your life and send my deepest condolences to each and every one of you. Dorothy was indeed a very special Mom, Grandmother and Aunt (in my case) and all of us will be left with happy, special and very personal memories of her. God bless you all.

Terry and Bob
