Tribute from Diana Thomas

Relation: Relationship - How did you know the deceased?

My condolences to Shirley and all of Doug's family. I had the pleasure of knowing Doug through his hard work and efforts for the Osoyoos Airport. Thank you with the fondest of memories.

Tribute from Bill Michael

Relation: Pilot buddy

To Shirley and the family along with his many friends I send my condolences at Doug's passing. We flew together for several years in Osoyoos and Oliver. He was a good pilot, a good friend and good company always with a happy enthusiastic way about him.
He can now fly freely without having to worry about earthly things like the price of avgas and Transport Canada.

Tribute from carol lydiatt

Tribute from Leslie English

Relation: Daughter

Dad, there isn't a day that goes by that I don't think of you. I miss everything about you, your wonderful sense of humour, your kindness and your ability to make everyone feel so good about themselves. You were one of a kind and the world will not be the same without you.

Love you forever.
