**Tribute from Gayle Azyan**

Relation: my father

Hi, my father is Joe Azyan and he grew up with Eric and has remained friends with both Eric and Erica. I took my father, who is 85, to visit his brother, Ted Azyan in spring 2009. My father insisted we make time to visit the Deglans and we had a wonderful time. I rarely get to see my father laugh with such abandon at his childhood memories but they all laughed until they cried and it was wonderful for me to see. My Dad also saw Eric at Myrt Azyan's service and again commented how nice a visit they had. He will miss him very much and I know regrets not being able to see him more often. I also enjoyed the company and generous hospitality of Eric and Erica. We are sorry for your loss and our thoughts are with you.

**Tribute from Doreen Janko**

Relation: Old Osoyos Neighbors

Alf & Elinor: saddened to hear of Eric's passing. I will always have good memories of the Deglan's Hospitality ... and of course, that riotous trip to Las Vegas, with Bo' and Betty, you two, and Stan and I. We were a "distinctive tribe". I lost Stan on December 3/09. We're all walking a 'different path' these days, but it's good to know there are friends help us find the way. Doreen Janko.
